200
CONVERTIBLE

Information Provided by:
DEALER E-PROCESS

IT HAS EARNED ITS WINGS.

Information Provided by:
DEALER E-PROCESS

HERE'S TO MAKING THE MOST OF THE SKY ABOVE. HERE'S TO WORKING HARD AND EARNING THOSE FEW MOMENTS TO TAKE IT ALL IN. AFTER ALL, A CONVERTIBLE SHOULD LET THE SUN AND SKY IN WITH THE SAME EASE IN WHICH YOU'RE ABLE TO LET IT ALL OUT. THIS CONVERTIBLE HAS BEEN BUILT IN-HOUSE, ALONGSIDE ITS CHRYSLER 200 STABLEMATES, TO DELIVER THE SAME GREATNESS WITH AN EXTRA WALLOP OF SUNSHINE AND FREEDOM. BEHOLD THE CHRYSLER 200 CONVERTIBLE. IMPORTED FROM DETROIT.™

Information Provided by:

LUMINOUS IMPRESSION. The Chrysler winged grille and badge glimmer as sculpted front and rear fascias and aluminum wheels boast a fresh perspective from the onset. The standard body-color door handles and power heated mirrors streamline its presence while available brightwork gives a finish fit for its looks. Standard bifunctional halogen projector headlamps provide a wide, clear night vision with high/low beam capability and outstanding forward and spread-light performance. LED light piping accents the headlamps' premium appearance and illumination. The available projector beam fog lamps provide sharp visibility and looks, while the LED taillamps and center-mounted stoplamp's intense illumination means viewers take notice from every angle.

THE BEST OF BOTH WORLDS.

CONVERTIBLE TOPS. The smell of just-cut alfalfa and the quick switch from warm to cool as you crest a country road. This is why the world needs convertibles. And why you want this one. The Chrysler 200 Convertible offers two different power tops to fit your lifestyle.

A classic power cloth soft top easily folds into the trunk making it simple to enjoy open-air driving. The retractable steel hardtop, available on the 200 Convertible S and Limited, combines the fun of a convertible with the practicality of a conventional sedan. Both feature a seamless look when lowered, thanks to a power hard tonneau cover. When either top is down, the trunk capacity is still more than enough to easily fit two golf bags. Tightened flow-through design further enhances the feeling of floating on air. It's the freedom of choice and power that comes standard on the Chrysler 200 Convertible.

ATTITUDE GOES WITH ANYTHING.

Chrysler 200 S Convertible projects a style and attitude all its own, thanks to a special edition with a standard 3.6L Pentastar® V6 engine, 160-amp alternator, and a dose of well-defined personality. Starting with its Black grille, Black headlamp treatment with bright metalized projector rings, and projector fog lamps, 200 S reinforces its strong first impression with body-color door handles and body-color heated exterior mirrors, Black painted rear fascia bar, Black "S" badge and 18-inch polished aluminum wheels featuring Black painted pockets. Brilliant LED taillamps and dual bright exhaust tips give a parting shot of brightness.

Information Provided by:
DEALER

200 CONVERTIBLE IS THE ONLY VEHICLE IN ITS CLASS TO OFFER A RETRACTABLE HARDTOP.[1]*

Experience the power of superior design when you choose from the standard cloth soft top or the available retractable steel hardtop. In both soft and hard forms, the power convertible top folds in three sections and automatically latches with a switch on the center console or the press of a button on the key fob, each taking approximately 30 seconds to raise or retract while an automatic hard cover conceals the stowage area when the top is down. Also included is an automatic Smart Glass system. It protects the top weather strips and window seals by lowering the windows slightly whenever the convertible top is lowered or when the doors are opened or closed. When the door handle is pulled, the windows lower approximately half an inch, preventing resistance or damage to the window or top weather strips as the door opens. Once the door is closed, the window fully closes.

*A NOTE ABOUT THIS BROCHURE: ALL DISCLAIMERS AND DISCLOSURES CAN BE FOUND IN THE BACK OF THE BROCHURE.

BUILT FOR BASKING.

VIEWING LOUNGE. The bolstered seats envelop you and your passengers with available leather-trimmed and cloth seating materials and six-way power driver and front-passenger seats. The soft-touch armrests, premium interior touch points, automatic temperature control, and just-right LED ambient lighting continue the sense-pleasing journey. With seating for four and best-in-class[1] rear leg room, you may even share the life of leisure with those who deserve the trip. Whether the top is up or down, the spacious trunk can take in almost anything an overpacker can dish out.

CONVENIENCE ROOM. Hand-eye coordination becomes second nature when you interact with the one-piece instrument panel, bezels, gauge face, and integrated controls on the standard leather-wrapped steering wheel. Operate the radio, cruise control, available hands-free phone, and other vehicle functions without having to change position or hand placement. Innovative features connect you to the real world, if you please, like an available Uconnect® touch screen with Voice Command and standard SiriusXM™ Satellite Radio.[2] The convertible-top button is intuitively located in the center console for easy access anytime. The Chrysler 200 S Convertible interior sports Black leather-trimmed seating accented in Silver stitching with distinctive digital suede inserts. The driver and front-passenger seats feature embroidered "S" graphics as a unique stylish touch, and a perforated-leather-wrapped steering wheel gives this pick added finesse.

Chrysler 200 Convertible Limited shown in Black and Pearl.

283 HP
PENTASTAR® V6 ENGINE
29 HWY MPG

AT THE HEART OF ITS CORE BEATS A POWERFUL COMMITMENT TO PERFORMANCE, EFFICIENCY, AND THE FUTURE.

It is the most advanced six-cylinder engine ever produced by Chrysler Group LLC and it just happens to be shared with its Chrysler 300 stablemate. The available 3.6L Pentastar® V6 with Variable Valve Timing (VVT) is paired with a six-speed automatic transmission with first-rate noise, vibration, and harshness control. The only thing better than numbers like 283 horsepower and 260 lb-ft of torque is the engine's durability-enhancing features that require very low maintenance. Its impressive EPA estimated 19 city/29 highway mpg provides a glimpse of restraint within its appetite for the open road. The standard 2.4L engine with VVT is mated to a six-speed automatic transmission with AutoStick. It provides a strong balance of fuel efficiency (EPA estimated 18 city/29 highway mpg) and solid performance with 173 horsepower.

STRONG AND AGILE. EXACTLY.

RIDE AND HANDLING. Virtually every system for this convertible has been engineered for an exceptional performance experience. MacPherson struts sit up front to provide an optimum balance of ride, handling, and noise isolation. These are supported by multilink coils in the back, which allow individual articulation of the rear wheels over varying road surfaces for a level ride. Additional components include large-diameter front and rear sway bars, stiffened body mounts and soft ride rate, all paving the way for a smooth and controlled ride. These drivetrain and suspension enhancements also contribute to the reduction of noise, vibration, and harshness (NVH), while the premium 17- and 18-inch touring tires provide solid balance and response.

AUTOSTICK. Paired with either the 2.4L four-cylinder engine or the available 3.6L Pentastar® V6 engine, the six-speed automatic transmission with standard AutoStick shifter allows clutchless manual or automatic gear selection for a dynamic driving experience.

THIS IS THE MOTOR CITY AND THIS IS WHAT WE DO.

MADE RIGHT HERE. It might be common practice for car companies to ship their convertible assembly off to a third party; but the Chrysler 200 Convertible is built alongside its sedan counterparts and leaves the Michigan factory with a unique pedigree.

BUILT WITH A LEVEL OF CONFIDENCE STAMPED IN STEEL.

SPECIFICALLY DESIGNED FRONT AND REAR CRUMPLE ZONES HELP ABSORB ENERGY AND REDIRECT IT AWAY FROM PASSENGERS, HELPING TO REDUCE THE RISK OF INJURY IN THE EVENT OF A COLLISION.

ANTILOCK BRAKE SYSTEM/ABS. Standard four-wheel antilock disc brakes afford premium stopping power from state-of-the-art electronics that provide faster system response. ABS senses and prevents wheel lockup, offering improved steering control under extreme braking and/or slippery conditions.

SENTRY KEY® THEFT DETERRENT SYSTEM. A unique security system code matched only to your vehicle allows your 200 Convertible to start only with the special encoded key.

SECURITY ALARM. This system monitors the door-ajar and trunk switches as well as the ignition circuit for unauthorized entry. The lights flash and the horn sounds, alerting you if someone else is trying to enter your vehicle.

REMOTE KEYLESS/ILLUMINATED ENTRY. For additional convenience and security, this feature unlocks the driver's door on the first press of the key fob and all doors on the second press, illuminating interior lights once the vehicle is unlocked.

ELECTRONIC STABILITY CONTROL/ESC.[3] In adverse conditions, ESC and Brake Assist work with an all-speed traction control system to help maintain vehicle stability, limit oversteering or understeering, and automatically apply brake force when needed.

AIR BAGS.[4] All 200 Convertible models feature standard advanced multistage driver and front-passenger air bags, and supplemental driver and front-passenger seat-mounted air bags.

ACTIVE FRONT HEAD RESTRAINTS.[5] Head restraints automatically move forward and upward in the event of a rear-end collision to decrease the space between the head restraint and the occupant's head, helping to reduce the chance of injury.

TIRE PRESSURE MONITORING SYSTEM. A warning lamp in the instrument cluster notifies you of low tire pressure. A Tire Pressure Monitoring Display alerts you to individual tire pressure for all four tires and is part of the available Electronic Vehicle Information Center (EVIC).

CONNECT TO THE PEOPLE, MUSIC, AND INFORMATION THAT MATTER MOST.

UCONNECT® IS AN INTUITIVE HUB FOR ALL YOUR MEDIA — CELL PHONE, INTERNET, SIRIUSXM™ SATELLITE RADIO,(2) NAVIGATION SYSTEM, SMARTPHONE, AND MP3 PLAYER. THE UCONNECT USER-FRIENDLY SYSTEM ALLOWS YOU TO STAY CONNECTED, INFORMED, ENTERTAINED, AND FOCUSED ON DRIVING.

ENTERTAINMENT. Manage all of your media with multiple ways to access audio, including Bluetooth® streaming audio, iPod® control with Voice Command, DVD player, audio jack, SD card slot, compatible multimedia devices, and gaming consoles. With SiriusXM Satellite Radio(2) (your first year of service is included), you get over 130 channels, including commercial-free music plus all your favorite sports, news, talk and entertainment – all with coast-to-coast coverage, 24/7.

PHONE. Talking on the phone while driving has never been easier — or more responsible. Uconnect Phone is the in-vehicle, voice-activated communication system that allows you to pair up to seven Bluetooth compatible phones and then talk virtually hands-free. This system is also clever enough to synchronize with your phone's address book(6) — up to 1,000 entries — every time you get into your vehicle.

NAVIGATION. Provides turn-by-turn voice guidance and visual display. It can also locate nearby restaurants, shopping, hospitals, or points of local interest through an exclusive GPS system. It features an intuitive user interface, bringing the handheld experience to a factory in-dash radio. With SiriusXM Traffic™ (2) (one-year subscription included) you'll get continuously updated information on accidents, traffic flow, construction, and road closures.

VOICE COMMAND. It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Use your voice to select AM/FM radio stations, SiriusXM Satellite Radio(2) channels, and make and receive calls. Along with pause and rewind capability, this smart system technology can also be adapted to better recognize your voice and can understand commands in English, French, and Spanish.

WEB. Put the power of high-speed Internet in your vehicle with Uconnect Web.(7) Effortlessly connect any WiFi-enabled device to the Internet at 3G broadband speeds, making your vehicle a mobile Hotspot. Passengers can use multiple devices at the same time. There's no need for cell cards or software with this Authentic Chrysler Accessory by Mopar.® It's all wireless. Subscription required. Sold separately.

SiriusXM TRAVEL LINK Access a wealth of current information at your fingertips, including national and local weather forecasts, radar images, and detailed storm information with speed and direction, even local ski slope conditions. Review fuel prices at local gas stations to find the lowest price in your area. Sports fans can learn in-game and final sports scores and weekly game schedules. You can also get detailed weekly movie listings, show times and ratings, as well as watch your personal portfolio of stocks as they move up or down throughout the day. Subscription is required after one-year included service.

uconnect® SiriusXM

AUTHENTIC CHRYSLER ACCESSORIES.

SPORT. No matter what adventure you seek, you'll want to add to the sport of it all with durable and convenient Mopar carriers.

PROTECTION. Safeguard your vehicle with parts and accessories made precisely for the protection and security of your ride.

STYLE. Select from a palette of attractive accessories designed to enhance your vehicle's appearance and express your individual taste.

COMFORT. Raise the comfort level of your vehicle's interior. From Heated Seats to Katzkin Leather Interiors, you and your passengers will notice the Mopar difference.

MOPAR® INSPIRES VEHICLE OWNERS WITH INNOVATIVE PARTS AND ACCESSORIES — ALL MADE-TO-SPEC FOR YOUR 200 CONVERTIBLE. THIS IS WHAT MOPAR DELIVERS, ALONG WITH EXPERT, CARING SERVICE. MOPAR TECHNICIANS ARE THE MASTERS OF YOUR MAKE AND MODEL, WITH ACCESS TO THE TOOLS AND DIAGNOSTIC EQUIPMENT THAT HELP GET THE JOB DONE EFFICIENTLY. CHOOSE AUTHENTIC MOPAR PARTS AND SERVICE, AND YOU'LL DRIVE AWAY WITH PEACE OF MIND. FIND OUT MORE AT MOPAR.COM
